# Welcome

---

Thank you for your interest in visiting SCI!

As a Department of Defense (DoD) supplier, SCI has some special security requirements that may differ from other companies you have visited. To ensure a smooth visit, please familiarize yourself with the policies and procedures in this document prior to your arrival.

# Where to Enter

---

- Our address is 13000 Memorial Parkway SW, Huntsville, AL 35803.
- SCI is co-located on the same campus as Sanmina, our parent company.
- All visitors should come to the front entrance on the East side of the building.
  - Approaching from the North on Memorial Parkway, turn right into the front entrance just after Green Cove Rd.
  - Approaching from the South on Memorial Parkway, turn left into the front entrance after passing Hobbs Island Rd.

*The front entrance is adjacent to Memorial Parkway SW, on the East side of the building. Look for the SCI and Sanmina logos.*

# Security Policies & Procedures

---

As a Secure Facility, SCI has special requirements that must be followed by all personnel.

- **Entry/Exit:** All guests must provide a valid ID and will be issued an escort-required badge/day pass. All parcels (i.e. briefcases, handbags, backpacks) will be inspected upon entering and departing.
- **Wi-Fi:** Guest WLAN service is available. User ID and password are available from Security at the front desk.
- **Electronic Devices:** Laptops must be signed in. The relevant form will be emailed to you prior to your visit. Any photography requires prior approval. Digital cameras and video recorders are prohibited. *Possession of camera-enabled devices (cell phones, laptops, PDAs, etc.) may be allowed in some areas but the use of the camera feature is prohibited unless authorized and approved by Management (Vice President or above) and the Security Office.*
- **General Security Notes:** Weapons are prohibited on Company grounds. Proposed visits involving non-U.S. citizens and proposed meetings where classified National Security information may be discussed must be coordinated with Security. The facility is monitored by video surveillance cameras.
